EDUCATION

ACADEMIC PERFORMANCE:

| Session | Class | English | Hindi | Math | Science | Social Science | Information-technology | Total Mark | Overall (%) |
|---------|-------|---------|-------|------|---------|----------------|------------------------|------------|-------------|
| 2020-21 | IX | 96 | 94 | 99 | 98 | 97 | 98 | 582/600 | 97% |

| Session | Class | English | Hindi | math | Science | Social Science | Information-technology | Total Mark | Overall (%) |
|---------|-------|---------|-------|------|---------|----------------|------------------------|------------|-------------|
| 2021-22 | X | 95 | 94 | 94 | 95 | 93 | 99 | 477/500 | 95.4% |

SAT DIGONISTIC TEST: AUGUST ATTEMPT APPEARING

EXPECTED SCORE: 1480+

SKILLS

Arduino Programming

HTML-Front end

Python language

Photoshop

RDBMS

Decision making

Leadership

PROJECTS

Pani Pahad Ganga project

Cambridge University organised it for a few selected students from around India. During these periods, I learned about numerous approaches to save our sacred Ganga and also created a project presenting unique methods to get out of the current state of pollution.

UNICEF AMBASSADOR

In COVID Times I participated in young Warrior programme by UNICEF to spread awareness and also take up challenge of becoming unicef ambassador to organize social activities to raise awareness.

GAME DESIGNING

Under the guidance of Plaksha University, I independently developed and coded five games using Python and other programming languages. Additionally, I converted these games into functional apps, and I am planning to upload them on the Play Store soon.

Research work:

I have conducted extensive research on the topic "The Role of Banks in Financial crisis" for a year. My research has also been published by the academia.edu on their website.

ACHIEVEMENTS & AWARDS

- Distinguished Certificate in Green Olympiad
- Scholar in state level Asset Talent search examination and in the top 100 students
- Mindspark Champion of the year 2019-20
- Winner of Vikram Sarabhai Science Foundation competition organized by ISRO in Senior category
- Winner of Website designing Competition organized by MMIT University.
- Certificate of excellency in astronomy quiz conducted by Regional Science institute of Lucknow
- Winner of Hindi quiz conducted by Maheshwari School, Jaipur
- Won the Revision Contest conducted by Zee Mindswar by Ranking of 13 th Overall India.
- TIMES NIE SCHOOL SUPER LEAGUE (CERTIFICATE OF EXCELLENCE)
- Level 2 Qualified and made ppt for second level in National science Concours for two Consecutive years
- Member of IMUN
- TOP 100 IN INDIA IN ASSET TALENT SEARCH EXAM BY EDUCATIONAL Initiatives

Co- Curricular activities

- MEMBER OF NATIONAL CADET CORPS (NCC) FOR 2 YEARS (2019-2021)
- designing my own website .The link of website is <https://anshya.w3spaces.com>
- have developed three games so for using various coding languages.
- have made hand gesture application based on AI algorithms with help of Intel india
- won the chess championship at school level consecutively

for two year in senior category.

- Participated in National Anveshika Experimental Skill Test (NAEST) conducted by IIT Kanpur
- Interschool runner up in science quiz organized by science city
- Participated in FIT Cyclothon conducted by SAI
- Participated in Geo -Genius
- Participated in Science and math challenge conducted by CBSE
- Participation in CREST math Olympiad
- Participated in Planetary Science Quiz of International Monthly

Astronomy Quiz organised by International Amateur Astronomical

Association participated in the Green Era - Guess the Logo organised by Green-Tree Academy

- Participated in quiz conducted by Sipna Engineering College
- Represented my School in Various Cultural activity
- Attended theatre Workshop organized by Lucknow Natya Academy
- won the Interhouse Football,KHO-KHO Championship for two consecutive years.

COURSES:

INTEL BOOT CAMP ON AI

The fifteen-day intelligence boot camp taught me the fundamentals of AI technology, which helped me create my first application for hand gesture recognition and served as my introduction to the field of artificial intelligence and application development.

HTML-FRONT END Development

I attended this course, which was organised by Great -learnings, and received completion and merit certificates after passing an exam conducted by them.

Web- Development:

I had taken web -development classes to fuel my interest in web -development.It also assisted me in the development of my own website.

Community Service

Shiksha Anbandh community welfare project:

I worked with NGO Shiksha on the "Anbandh" project. The goal was to educate rural residents about job creation and empower them to improve their lives through smaller steps

Nashamukti Awareness campaign:

I had campaigned in rural side of village and organized programmes to aware th ill Effects of smoking.

Awareness rally on Cleanness

I started this initiative to educate rural residents about the importance of maintaining a clean environment, and I employed several creative methods to accomplish this while employing science.

Sarv shiksha Abhiyan:

Under this initiative, I tutored students at government run schools and delivered basic necessities as well, all with the support of my school and teacher.

Summer programs and internships

Young Technology programme:

I received a full scholarship from Plaksha University for a two-week program targeting young leaders. The program emphasized Arduino learning, group projects, and interactive sessions with prominent professors.

Internship with Akribiz pvt.ltd :

It was a two-week internship during which I worked with the company's human resources department and their chain supply management.

Books

I had authored a fictional book named "A love beyond barriers" that was published by Bribooks. There is also an e-book edition available on the internet.

The link to my book is

<https://www.bribooks.com/bookstore/a-love-beyond-barriers>

Appoinments and responsiblties

- LEADER OF PANI -PAHAD TEAM
- MEMBER OF community service
- VOLUNTEERED AT A GOVERNMENT SCHOOL DURING 2019 SUMMER VACATIONS
- CLASS- LEADER AND REPRESENTATOR (2017-2018)(2019-2020)
- HOUSE INCHARGE IN SCHOOL
- VOLUNTEERED TO TEACH STUDENTS AT MY HOME DURING COVID
- TUTORED OLD PEOPLE IN VICINTY OF MY SCHOOL (Related to small business, road safety, sanitation)

Hobbies

- OBSERVING AND PROBLEM SOLVING
- Photography ,Cricket, Coding
- WATCHING MYSTERIOUS VIDEOS, VLOGS, LIFESTYLE VIDEOS, CREATIVE VIDEOS AND SCIENTIFIC VIDEOS

GOALS

I aspire to be an entrepreneur and revolutionize the field of technology by developing new technology platforms using my coding proficiency.
